Your request has reached the Company.

As soon as the voting session begins, you will be able to express your voting options by mail and/or live during the General Meeting.

eVote is a complete solution for carrying out General Shareholders' Meetings, including all the possibilities to participate in the meeting by mail, online or in person.

EVote Features

- online view of the audio-video transmission in the meeting room
- “live” vote system during the meeting or “off-line” vote before the meeting
- accommodation of all participation forms in the GMS, while voting options can be expressed both physically and electronically, by mail and live
- visualization in the application of the agenda and support materials
- quorum permanently updated and displayed to all participants in the meeting
- automatic calculation of votes received at the meeting
- pre meeting quorum
- the possibility to ask “online” questions during the meeting to the chairman or to make notes in the minutes

Benefits for companies that use eVote

- complete solution for carrying out the General Meetings of Shareholders
- accuracy in counting cast voting options and GMS quorum
- optimized costs in terms of time allotted, consumables, allocated human resources and generally high expenses with the GMS location
- enhanced corporate governance
- increase in the company's liquidity generated by the increase in the attractiveness of shareholders towards the company
- improved market value as a result of the open approach and Company's good communication with the investing public
